# Haven Universe, Inc.

The mission of Haven Universe is to creatively share the Good News of Jesus Christ by providing a loving, accepting, fun, people-focused community which includes individuals of all ages, disabilities, faith backgrounds, their families/caregivers and friends.

All are welcome.....

Our aim is to reach out in love to all people by emphasizing the infinite value of each person and learning to fully embrace one another in our interdependence and investment in each other's lives.

Our approach is one of compassion, simplicity and authenticity as we play, sing, dance, create, eat and learn about life together.

## "Saturday Night Alive"

The SNA family event consists of:

- ♥ Gym Play including a variety of adapted, engaging "sports" & lively games. Everyone joins in and is a winner!
- ♥ Arts & Crafts (simple & creative)
- ♥ Optional participation in upbeat, joyful contemporary Christian music, simple Bible teaching & prayer
- ♥ Pizza snack & drink

**Saturday Night Alive** is an opportunity for individuals with disabilities, their families, friends and caregivers to participate together as an all inclusive community. We are fortunate that our executive director is an adaptive physical education teacher with 25 years of experience and our board chair is a pediatrician and child psychiatrist specializing in neurodevelopmental disorders. This along with the requisite family-centered focus will help to assure an enjoyable and safe experience for all.

*A nominal charge at Saturday Night Alive Events helps to defray operational costs.*

without each other.  
Healthy community is God's  
goal for us."*
